

Dear Sir or Madam:

Hello! I'm Tim Austin, a recognized speaker, author, successful business owner, coach, outdoorsman, sportsman, and teacher. My goal, as a motivational speaker, is to deliver a powerful message that will change our entire culture.

My audience will hear a life-changing message of respect, honor, and courage. They will come to understand why disrespect is a cancer in our culture. The simple concept of respect will be a breath of fresh air. Attendees will learn how respect is the cure for rudeness, greed, bullying, violence, crime, addiction, divorce, and anger. The polls confirm it, men are motivated and driven by respect. Each audience member will learn simple ways to completely revolutionize relationships, skyrocket their own self-esteem, and transform their entire life by:

- Earning the respect they deserve
- Building confidence in all relationships
- Courageously facing life's adversities
- Building deep character
- Helping others to be the best they can be
- Building knowledge, understanding and wisdom
- Earning more money, power and influence
- Building a life of grace and strength

As an authority on the subject of respect and honor, I bring wisdom and humor to this subject while entertaining, educating and challenging my audience.

I look forward to working with you and your organization in the future. In the meantime, you can learn more about me, and how I help my clients, by visiting my website at www.AustinBuildingCompany.com.

Thank you!

Sincerely,

Tim Austin
